Don't limit yourself to standard stock sizes!
Get custom-size aluminum snap frames
at standard-size prices.
With Freedom-Frame, you have the
freedom to design any size visual
display you like.

FEATURES:

- Durable, elegant aluminum finish.
- Bold 1-3/8" wide rails.
- Snap frame rails make changing signage quick and easy.
- Unique full-length snap hinge eliminates spring clips.
- White corrugated plastic backer board is durable and lightweight.
- Use screws or adhesive tape for easy mounting.
- Graphic thickness maximum is 20 pt (1/50", 1/2mm). Only use thin substrates with UltraFrame.
- No assembly needed. Pre-drilled hanging holes provided. Four points of hanging recommended.
- Always cut to your exact specifications.
